

Founded in 1985, IFG Companies is one of the largest privately-held insurance groups in the United States, providing property-casualty insurance on both a non-admitted and an admitted basis.

IFG Companies has **two** principal segments of business:

BIND DIVISION

Offers liability and property coverage for smaller businesses and other entities written through a national network of contracted producers. There are two business units within our Bind Division:

- **Property & Casualty**
- **Garage**

BROKERAGE DIVISION

Offers liability and property coverage to meet the specialized needs of small to medium-sized firms as well as certain larger businesses. There are four business units within our Brokerage Division:

- **Primary Casualty**
- **Excess Casualty**
- **Inland Marine**
- **Primary Property**
